President Report:-

The winter chill in Clare was made a little warmer for Anita and I at the District Governor's Handover last Saturday when our Bulletin was awarded the District Governors –**Bulletin Lapel Pin** as the top bulletin in the C1 District for 2013/14. **Congratulations Tulip.**

The new meeting starting time and/or meeting format will need further discussion with the aim to ensure all can enjoy the meetings that are being proposed in the future. The previous meeting, where the committee structure was used brought some ideas to enhance the enjoyment of all, ranging from social activity to visits with other clubs.

Cleaning up the Cubby was overdue and the team on Sunday did us proud with some items adorning the skip that have been around for too long. We thank Whyalla Mini Bins for their donation of the skip thanks to Steve's negotiating skills.

The Vice District Governor Rob Royal and Lion Sandy will be visiting on **THURSDAY August 14th** at the Homestead Museum. This meeting night change is due to his commitments at the Cleve Field Days on behalf of the Lions of District C1 with the promotional trailer that you saw based here for some time. We were unable to have the event catered and we may prevail on the chef's within the club (or their partners) to provide a selection of home favourites for the evening.

Keep your eye out for these messages on your email.

The roster system for Bob's BBQ's appears to be providing the appropriate support with those that are unable to assist on their allocated weekend swapping with others. This seems to enhance the "many hands make light work" scenario.

We have a busy month in August with the Dutch Shed clean-up, getting the cookers cleaned and operational, ensuring the vans are clean and tidy with the appropriate stock and of course the dreaded rosters. Maybe you could let Steve know if you will not be able to assist on the weekend to enable rosters to be confirmed on the 14th.

Forums have the purposes of:

- Promoting the principles and objectives of Lions Clubs International
- Training, educating and motivating district and club officers
- Providing for exchange of information and discussion of service activities, including opportunities for cooperative service projects
- Advancing the interests of the Lions Clubs International Foundation

All Lions/Lionesses and Leos in the Constitutional Area in which the forum is held are invited to participate. We further extend an invitation to those from outside our area.

To develop leaders, motivate and educate attendees, provide an open exchange of ideas, and support the programs and goals of Lions Clubs International.

 - (3) attempt in good faith to settle the dispute by Mediation
4. The Mediator must be: -
 - (1) A person chosen by agreement between the parties or;

5. A mediator appointed by the Board of Directors may be a member or former member of the Club but in any case must not be a person who: -

A "pride" is a close-knit family of lions, as can be found in the savannahs of central Africa. Each member of the pride has responsibilities.

Whether they are the hunters, protectors, caregivers, teachers, or learners, they work as a team, for survival

and prosperity. If even one member of the pride does not fulfil its role, it can affect the entire group.

There is another group of Lions just as proud. But unlike the lions of Africa, these Lions aren't feared. Instead they are admired and respected. They, too, form a ring of protection, and they have shown themselves to be skilled hunters – providing food for the hungry and tending to the needs of a different flock. These Lions don't restrict themselves to grassy plains. Their territory has spread to every corner of the world, and they bring goodness wherever they exist. It's us – the 1.35 million members of Lions Clubs International.

The English dictionary provides another definition of the word "Pride" – a feeling of happiness that you get when you or someone you know does something good. It is not the pride of being boastful it is the pride of accomplishment in building communities, doing good, and reaching out to assist others.

Lions are indeed a proud organization. There is a feeling of pride shared among our members, knowing that our commitment to serve the needs of others is what has made us, and keeps us, the global leader in humanitarian service. It is the same pride that has sustained us for 97 years.

We can "Strengthen the Pride" by bringing the full Lion's family, closer together, working in a spirit of cooperation and understanding, with each Lion member doing their share. And we can "Strengthen the Pride" through our many meaningful accomplishments. This is the platform for not only success this year, but through our centennial and well into the next hundred years.

"Dear Andy: How have you been?
Your mother and I are fine. We miss you.
Please sign off your computer and come
downstairs for something to eat. Love, Dad."

success but a man
of value

The Whyalla Show

Another year rolls around and its August again. This years show promises to be bigger & better (that's what the advertising says !!) so could we have as many members as possible out there next weekend (16th & 17th for those that didn't know) .

As usual we will need to fill the Dutch shed, chip Van & Hot dog Van.

We will have a roster going around at the meeting on the 14th (that's at the Homestead , a mixed meeting with the Vice District Governor).

Even if you can only make it for a few hours all the help will be much appreciated.

We might even shout you a drink or two.!!!

See you there
Graeme

Next news letter we might try for some info from the Activities & Social chairmen.

Thanks to Don for helping out with this months Bulletin (he did most of it) but they tell me its gets easier each time you do it !!!
