Presidents Report February 2015

Happy New year to all members and their respective families, Anita and I trust all went well for you over the holidays. I know that we certainly relaxed as we have not done in over thirty years. 2014 was a pretty tough year for us, family wise but all is on the up and up now. Anita's knee replacement went well and she is just not up to catching me at the moment however I will slow down soon I think.

My sincere thanks to Steve and Phil who ensured our obligations to the Speedway and Australia Day were fulfilled to capacity and thanks to those that assisted. I still find it difficult to understand why we can't fill the roster but have too many members when the event comes around like the cast of thousands on Australia Day.

February looks to be again a busy one.

- Bob's BBQ on 31st January and 1st February
- Harness racing club Chipvan on Sunday 8th February
- C1 District Cabinet meeting at Pt Vincent on the 15th
- Little Athletics Carnival possibly the 28th & 1st March. Should this event eventuate we have offered the Whyalla Lions Club the Speedway on the 28th.

I mentioned in December that we should be contemplating the Officers for 2015/16 and endeavor to have a succession plan in place by mid-March latest.

During my relaxing time in Adelaide I reflected upon the reason I became a Lion and those thoughts I will share with you.

Lions are club members that strive to make a difference in their local community that we cannot do as individuals as well as communities worldwide. Our volunteer efforts can go beyond the support of vision care and addressing the unmet health and education needs worldwide.

As a Lion we can;

- Make a difference every day in our community whether it is providing support locally or internationally, we have the opportunity to **serve**
- Being a part of a worldwide organization carrying out community and humanitarian projects is the greatest feeling of all.
- We can grow personally and professionally by participating in projects, community service and events.
- We develop relationships with local, State and international community and business leaders.

Will you help make a difference by becoming involved in the Service provided by our Club?

We will be returning to Westies on ~~March~~^{FEBRUARY} the 11th.

Yours in Community service

Brian
